PM Modi opens Aero India

India's military might on display; Narendra Modi stresses on Atmanirbharta

Bengaluru, Feb. 13 (Agencies)- Prime Minister Narendra Modi this morning inaugurated Asia's largest aero show, Aero India 2023, in Bengaluru. The 14th Edition of the event will display indigenous equipment and technologies to forge partnerships with foreign companies.

Inaugurating the 5-day event, PM Modi said that Aero India reflects India's new strength and aspirations. He added that the made-in-India Tejas aircraft and INS Vikrant as examples of India's potential.

"India's successes are giving proof of its possibilities and capability and added that Tejas aircraft roaring in the sky is the proof of the success of 'Make in India and Atmanirbharta'. The new India of the 21st century will neither miss any opportunity nor leave any stone unturned in its hard work. We are gearing up," PM Modi said in his address.

Modi also underscored the importance of Aero India taking place in Karnataka which is the hub of India's technological advancement. The Government, under its "Make in India" policy, has been insisting that manufacturers such as Lockheed Martin Corp, Boeing and Airbus share technology or make more than parts in the country, he added.

Prime Minister Narendra Modi speaks at Aero India in Bengaluru this morning as (from left) Minister of State for Defence Ajay Bhatt, Defence Minister Rajnath Singh, Governor Thaawarchand Gehlot, Chief Minister Basavaraj Bommai and Union Civil Aviation Minister Jyotiraditya M. Scindia look on.

This edition of Aero India is showcasing the country as an emerging hub for manufacturing military aircraft, helicopters, military equipment and new-age avionics. United States Charge d'Affaires Ambassador to India Elizabeth Jones is leading the largest-ever US delegation to the biennial air show.

Officials said around 250 business-to-business agreements are expected to be firmed up at Aero India which is estimated to unlock investment to the tune of around Rs. 75,000 crore.

'New India' of the 21st century will neither miss any opportunity nor will there be any shortage in its hard work, Modi said.

The PM said India today is not only a market but also a potential defence partner for so many countries, adding the nation is moving towards becoming one of the leading exporters of military hardware globally.

"Today, Aero India is not only a show, but it is also a reflection of India's self-confidence and capabilities," he said in the presence of top executives of various global defence majors and delegates from various countries. He said 'Aero India' reflects India's new strength and aspirations.

Vote verification machines arriving in city tonight

Mysuru, Feb. 13 (RK&BCT)- Over 4,274 VVPAT (Voter Verified Paper Audit Trails) systems will arrive in Mysuru city at around 11 tonight from the manufacturing facility in Hyderabad.

VVPAT or Verified Paper Record (VPR) is an independent paper record of the Electronic Voting Machine (EVM). VVPAT is connected with the EVMs through a printer port, which records vote data and counters in a paper slip to verify the correct recording of votes by EVM.

Voters can verify their votes before casting ballots which eliminates chances of electoral fraud and rigging. VVPAT is one of the most important devices introduced by the Election Commission of India (ECI) in the field of electoral reforms.

The VVPAT systems are being brought from Electronics Corporation of India Limited (ECIL), Hyderabad, for elections to the Karnataka Legislative Assembly in 2023. VVPATs will be connected to the 3,958 Control Units and 5,635 Ballot Units (EVMs). The 5,635 Ballot Units have already been brought to Mysuru from ECIL in November 2022.

A team of officers and staff are in transit from Hyderabad under the leadership of Mysuru District EVM and VVPAT Nodal Officer G.T. Dinesh Kumar, who is also the Commissioner of MUDA. The team has left Hyderabad early today after loading the machines and securing them in nine trucks and is expected to reach Mysuru at around 11 pm.

Tiger kills boy, grandfather within 24 hours in Kodagu

Mysuru, Feb. 13 (BCT)- Fear has gripped the residents of Nalkeri, Choorikadu, Palleri, Kutta and surrounding villages of Kodagu as two persons including an 18-year-old boy were killed by a tiger within a span of 24 hours. Palleri is situated on the Kodagu-Kerala border.

Raju, a 75-year-old farm labourer was killed in the tiger attack at Palleri at 7 am today while 18-year-old Chethan was killed on Sunday in the same area. In fact, Chethan is Raju's grandson. While Raju was attacked when he came out of his house at 7 am today, Chethan was attacked on Sunday when he was walking along with his father Madhu.

After attacking Chethan, the big cat attacked Madhu, injuring him seriously. Madhu tried to save his son from the jaws of the tiger. Madhu was bit and attacked by the feline with its clawed paw. Chethan, however, was killed on the spot and the tiger vanished between trees. Madhu is undergoing treatment at a hospital.

In Feb. 2021, two persons were killed in tiger attack

Madhu's family was staying in the coffee estate owned by Nellira Poonacha at Choorikadu. There have been repeated cases of tigers attacking cows in Ponnampet Taluk and now, two persons have fallen victims to human-animal conflict.

EDITOR'S BOTTOMLINE

Another significant aspect of the budget is the complete redesign of women's self-help groups in rural areas under the Deendayal Antyoday Yojana - National Rural Lilvelihoods Mission (DAY NRLM) scheme. Women's self-help groups are small, affinity-based institutions where they jointly save and access banking services. This has many positives as these women gain financial literacy and inclusion. With the funding that they get through their access to banks as a group, they also start income-generating activities. But these activities are at an individual level, hence home-based and small. Thus, the incomes that women get under this scheme are limited, and an additional major problem that they face is marketing.

The women are usually equipped with appropriate training in traditional activities such as pickle and paapad making, which are difficult to sell as there are large firms operating in that market segment for long. The announcement in the budget in this regard is noteworthy. The budget looks to "enable these groups to reach the next level of economic empowerment through the formation of large producer enterprises or collectives, with each having several thousand members and being managed professionally. They will be given assistance to procure raw materials and for the design, quality, branding, and marketing of their products." Such a programme, if implemented effectively at the grass-roots level, can help generate rural income, achieve gender parity and economic empowerment of women.

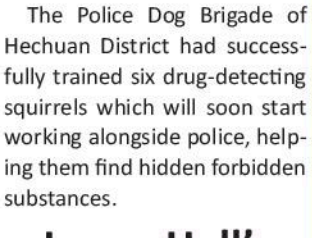
Now, squirrels to sniff out drugs



Chongqing: Police in the Chinese city of Chongqing has begun using specially-trained squirrels in their war against drug traffickers.

The Police Dog Brigade of the Criminal Police Detachment in Hechuan District, Chongqing has successfully bred the first batch of drug-sniffing squirrels in China. The breakthrough was part of the country's national key research and development project, which sought, among others, the creation of new training methods for anti-drug animals. Apparently, scientists have been aware of squirrels' keen sense of smell for a long time, but rodent training methods were apparently not advanced enough until now.

The Police Dog Brigade of Hechuan District had successfully trained six drug-detecting squirrels which will soon start working alongside police, helping them find hidden forbidden substances.

Jonny Hall's amazing UV tattoos

London: UK-born artist Jonny Hall is famous for being one of the first tattoo artists to introduce UV-reactive ink to the style of black-and-grey realism.

UVealism, a term coined by Hall himself, basically refers to the enhancement of already-impressive black-and-grey realist tattoos with the ethereal glow of UV-reactive ink. In plain light, UV tattoos are semi-invisible, but put them under an ultraviolet black-light bulb and you get to see a whole new dimension of the design.

UV-reactive ink is a bit more difficult to work with than normal tattoo ink, because it's a lot thinner, but when used correctly, the results are awe-inspiring.

'Roadside vendors must avail cash back on digital transactions'

Mysuru, Feb.13 (MK&BS)- Deputy General Manager (DGM) of State Bank of India (SBI), Rajesh Kumar Chowdhari has said that "The roadside vendors should avail of cash back facility by doing digital transactions."

Chowdhari addressed a gathering during the launch of 'Nanu Digital 4.0' campaign to promote digital transactions and training organised as part of PM SVANidhi, by Mysuru City Corporation (MCC) at SBI Central Branch premises on New Sayyaji Rao Road in city recently.

"State Bank of India has sanctioned loans to 5,209 beneficiaries and 4,477 among them have benefited. A total of 6,977 beneficiaries in Mysuru district have taken the loan from the bank," added the DGM.

It will be beneficial for the loanees among roadside vendors if they transact online in the interest of their business. If the beneficiaries repay the loan on digital mode, they will be given a cash back of Rs. 1,200. The first time loan component is Rs. 10,000 and second time - Rs. 20,000. If the loans are repaid under both components, Rs. 50,000 loan will be disbursed in the third component. The needy should make use of the facility and financially be empowered by doing the business, advised DGM Chowdhari.

MCC Additional Deputy Commissioner (Administration) M.J. Roopa said "The training programme will be conducted in the premises of prominent banks till Feb.16. Beneficiaries of PM SVANidhi may attend."

The QR code was generated along with EPI for 74 roadside vendors on the occasion.

Similar training programme on digital transactions was conducted for roadside vendors at Canara Bank in Nazarbad.

SBI Regional Managers R.P. Singh and Venkateshalu, Vidya of Lead Bank and Campaign Coordinator J.S. Bhyralingaiah were present during the campaign.

Traffic Cops should look at other issues hampering free movement

Sir,

Apropos to the recent news item *"Vehicle checking drive intensified across city,"* it is good that Traffic Police have intensified vehicle inspection.

The Police should also check vehicles for the following:

1) Vehicles without number plates or the number plates which are not as per RTO specifications, size and font.

2) Vehicles violating one-way — moving from No Entry point.

3) Altered silencers of two-wheelers and four-wheelers.

4) Haphazard parking of vehicles at No Parking Zone.

Traffic violations are more between 8 am and 10 am as the vehicle users rush in order to go to their office, school or college. Similarly, it is high between 4 pm and 6 pm, when aforementioned category of riders are eager to rush back home.

The Traffic Police and Mysuru City Corporation authorities should jointly work to put an end to stray cattle menace. The cattle-heads are let loose by the rearers, which prove a hurdle in the free flow of traffic and also causing many minor and major accidents at times.

Also many road humps across city are not painted with white stripes and also without warning boards "Road Humps Ahead."

Adding to this are the beggars, young and old alike seeking alms at most of the traffic junctions who also obstruct the free flow of traffic.

Recently some beggars were taken into custody by the Police but I am sure they will be back on roads soon!

Hope the above issues are taken into due consideration by the Traffic Police and see to it that the roads are safe to road users who follow traffic rules.

'PM Modi showed to world that J&K is an integral part of India'

Senior advocate C.V. Keshavamurthy delivers Thathaiah Memorial Lecture

Mysuru, Feb. 13 (RKB&DM)- Maintaining that it was Prime Minister Narendra Modi who showed to the entire world that Jammu and Kashmir (J&K) is an integral part of India by revoking Article 370 of the Indian Constitution, senior advocate C.V. Keshavamurthy said that this action largely helped in better bonding between J&K and other States.

He was delivering Thathaiah Memorial Lecture Series-2023 on the topic 'The relationship between the Centre and the States within the ambit of the Constitution' at The Anathalaya (Thathaiah Anathalaya) on Narayana Shastri Road here on Sunday.

Observing that J&K did not become an integral part of India post-Independence because of Nehru's policies, Keshavamurthy said it was Sardar Vallabhbhai Patel who formed States after bringing Regional Provinces together. Contending that Sardar Patel did what Nehru was supposed to do in uniting the splintered regional provinces, he said that now PM Modi has ensured that J&K always remains an integral part of India.

M. Venkatakrishnaiah, fondly known as Thathaiah.

Continuing, he said that though the States were formed based on language, we must understand that we are all one and we have one country that is Bharat. Stating that the then Government was forced to do so because of linguistic pulls and pressures, still it cannot be said that the States were formed entirely on language as administrative issues too came to the fore in the formation of States.

Noting that it is the job of the Union Government to prevent any subversive activities by anti-national forces, Keshavamurthy said the Centre has absolute powers to protect the States from external forces.

GSS Yoga Foundation's Managing Trustee D. Srihari, who also spoke, said an 'Alert Citizens Team' comprising more than 2 lakh students and citizens will be formed. It will be headed by students of 8th and 9th standards. Pointing out that there will be one lakh students in the team, he said that the team will alert the citizens against any security or safety threats by external forces that are working against the country.

Noting that we have to honour the suggestions of our elders and at the same time be prepared to take up responsibilities, he said that the caste discrimination should come to an end. He warned of becoming servitude once again after the Britishers, if we fall prey to allurements and ambitions.

Anathalaya President C.V. Gopinath, Member Dr. Satyanarayana and others were present.

Awareness programme on Apprenticeship Schemes

Mysuru, Feb. 13- Ministry of Skill Development and Entrepreneurship, Government of India, Regional Directorate of Skill Development and Entrepreneurship, Department of Industrial Training and Employment, Government of Karnataka, in association with Mysore Industries Association (MIA) and MSME Council have jointly organised a one-day awareness programme on apprenticeship schemes for small and medium scale industries, service and business establishments on Feb. 14 from 9.30 am at Kaveri Auditorium in Karnataka State Open University (KSOU) premises on Hunsur Road here.

Sri Nimishamba Temple gets zero-waste centre

Initiative under Swachh Mandira Abhiyana at 12 temples across Karnataka

Srirangapatna, Feb. 13 (Vinay Karekura&BCT)- The Swachh Mandira Abhiyana was launched at Sri Nimishamba Temple near Srirangapatna by Minister for Muzrai, Wakf and Haj, Shashikala Jolle on Friday. As part of the initiative, the Minister inaugurated a zero-waste centre at the Temple premises.

It is an initiative of the Department of Muzrai and Endowment in 12 major temples in the State, including Sri Nimishamba Temple at Ganjam in Srirangapatna and at Sri Ranganathaswamy Temple, also in Srirangapatna. While the main inauguration was held at the Nimishamba Temple, the initiative inauguration at all the other 11 temples were held through video-conference.

Lauding the initiative of her Department, the Minister said that it is imperative to keep temple premises and their surroundings clean and hygienic. "Prime Minister Narendra Modi and Chief Minister Basavaraj Bommai have laid a lot of emphasis on temple development. This is the first step to make their vision a reality," she said and cited the examples of Kashi Corridor in Uttar Pradesh, Sri Ram Mandir at Ayodhya and Anjanadri Temple development in Karnataka.

Asking the Temple managements, priests and other stakeholders to ensure that the zero-waste centres are utilised to the maximum extent, Shashikala Jolle said that a clean environment is necessary for divinity. "Cleanliness is next to godliness and this is the idea behind launching the scheme. Even devotees can enjoy the clean premises of all the famous temples," she added.

She told the Muzrai officials to ensure cleanliness in the temples. As part of the initiative, the dry and wet waste collected at the temples will be segregated and used flowers will be properly disposed of in the zero-waste units.

The Nimishamba Temple alone generates over 400 kg of waste on a normal day and 600 kg on festival days. In all, the 12 temples generated 3,500 kg of waste on normal days while it is 12,000 kg during festivals.

Commissioner for Muzrai and Endowment Rohini Sindhuri, Srirangapatna Tahsildar Shwetha N. Ravindra, Temple Management Committee President Krishnappa and CEO Mahesh and others were present.

Kodava Convention held in Mysuru

Former Additional Advocate General and Advocate Ajjikuttira S. Ponnanna addressing the Kodava Convention in Mysuru recently.

Mysuru, Feb. 13- A large number of Kodava families attended the Kodava Convention organised by Kodavas residing in Mysuru at Kodava Samaja in Vijayanagar here recently.

The objective of the Convention was to discuss and deliberate various burning issues and problems concerning Kodavas and Kodagu.

Former Principal of Cauvery College in Gonokoppa, South Kodagu, Prof. Ittira Biddappa, who was the main speaker of the evening, narrated the history of Kodagu. He also mentioned various services rendered and sacrifices made by Kodava community in nation-building. He also remembered the gallant and valiant combatant men and officers of Armed forces and Para-military personnel.

Cheppudira Arun Machaiah, International Karate Master and a social worker, called upon Kodava community to protect their own interest in Kodagu. He urged the gathering to be cautious regarding the political atmosphere in Kodagu and to choose the best political leaders for Kodagu.

Former Additional Advocate General and Advocate Ajjikuttira S. Ponnanna, who was the chief guest, appealed to the Kodavas to unite themselves to protect the legacies left behind by their ancestors.

Ponnanna also briefed about various issues concerned with Jamma land, the difficulty in getting their name recorded in Record of Rights and RTC by all those who left Kodagu long ago to other districts, other States or joined the Armed Forces and Para-military forces.

He reiterated that the land tenure in Kodagu is entirely different from other States. If Kodavas cannot succeed to include themselves and their children in the 9th column/ RTC in the share of Jamma land belonging to them, then the future generation of Kodavas would lose their identity as Kodavas which would be a disaster.

He also spoke at length regarding a writ petition filed by a person in the Supreme Court questioning the exemption given to Jamma land owners and Kodavas by race to possess guns as per Indian Arms Act.

Regarding the increasing human-animal conflict in Kodagu, the Advocate expressed concern over tigers attacking and killing humans and the troubles faced by people with more than 200 resident elephants in coffee estates posing threat to the life and property of owners and workers constantly. He also highlighted the inability of the present Karnataka Government and Forest Department to minimise the human-animal conflict in Kodagu.

The Convention concluded with an interaction session. Chenanda Raghu Uthappa compered.

50 percent rebate on pending traffic fines

City Cops rake in Rs. 12.30 crore in 9 days from Feb. 3 to 11

Mysuru second after a record collection of Rs. 123.62 crore in Bengaluru

Mysuru, Feb. 13- Mysuru City Police have collected a total of Rs. 12,30,50,650 in nine days as pending traffic fines after the Government announced 50 percent rebate on Feb. 2. With this, Mysuru stands second after a record collection of Rs. 123,62,95,611 (Rs. 123.62 crore) in Bengaluru.

Following the opinion that came up during the meeting of High Court Judge Justice B. Veerappa, who is also the Chairman of Karnataka State Legal Services Authority, in view of Lok Adalat, the Department of Transport had submitted a proposal in this regard to the Government.

Date	Cases	Fine amount
Feb. 3	1,644	Rs. 3,40,000
Feb. 4	22,691	Rs. 48,27,050
Feb. 5	13,854	Rs. 29,28,900
Feb. 6	30,639	Rs. 64,48,400
Feb. 7	32,251	Rs. 67,52,000
Feb. 8	39,128	Rs. 80,50,400
Feb. 9	60,109	Rs. 1,22,54,150
Feb. 10	1,06,677	Rs. 2,18,83,750
Feb. 11	1,91,272	Rs. 5,95,66,000
Total	4,98,265	Rs. 12,30,50,650

The Government, which approved the proposal, issued an order on Feb. 2 announcing 50 percent rebate on pending traffic fines, which was applicable for one time, till the midnight of Feb. 11.

As soon as the 50 percent rebate on pending traffic fines was announced, people began to throng the Police Stations in city to encash the offer and a total of 4,98,265 cases have been disposed till Feb. 11.

Following the end of the offer, the public have urged the authorities concerned to extend the same for a few more days.

Two boys on fishing trip drown in River Cauvery

Kushalnagar, Feb. 13- Two boys, who had gone for fishing, were reportedly drowned in River Cauvery (Kaveri) at Koodlur village in the taluk yesterday.

The deceased boys are Pruthvi (7), son of Nagaraj, a labourer and Prajwal (4), son of auto driver Satish, both residents of Koodlur village. While Pruthvi was a 2nd standard student at the nearby Government School, Prajwal was studying at the Anganwadi centre.

Yesterday morning, Pruthivi and Prajwal left their house carrying their lunch saying that they were going fishing and reached River Cauvery, opposite the mango grove in Koodlur. As the

boys did not return home till late afternoon, their family members went in search of them and found the body of one of the boys floating in the river. A few swimmers jumped into the river and made a futile bid to trace the body of another boy.

Meanwhile, Police and Fire and Emergency Services personnel also arrived at the spot and launched a search operation to trace and fish out the body of another boy. They found the boy's body stuck at the bottom of the river and fished it out.

It is suspected that the boys may have slipped and fell into the river and got drowned.

Both the bodies were shifted to Kushalnagar Government Hospital, where post-mortem was conducted and the bodies were later handed over to their family members. MLA Appachu Ranjan visited Koodlur village and consoled the family members.

Kushalnagar Rural Police, who have registered a case, are investigating.

Accidental fire in sugarcane field

Farmer charred to death while dousing fire

Mandya, Feb. 13- A farmer, who was dousing an accidental fire that had engulfed his standing sugarcane crop, has been charred to death. The incident took place at Modachakanahalli village in the taluk yesterday.

The deceased farmer has been identified as Mahalingaiah (60). Yesterday at about 1 pm, Mahalingaiah observed that fire had engulfed sugarcane grown in his field and went forward to douse it. But within a few minutes, the fire spread to adjoining fields and thick smoke emanating from it.

A few farmers, who saw the thick smoke, rushed towards Mahalingaiah's field. Mahalingaiah was already caught in the fire and the villagers tried to douse the fire by throwing water and mud but in vain and Mahalingaiah was charred to death.

Also, sugarcane grown in 8 acre land of Mahesh, 1.5 acre land of Javaregowda, 2 acre land of Papanna, 1 acre land of Shankar and also 1.5 acre banana plantation of Mahesh was destroyed in the fire, causing a loss of lakhs of rupees to them.

It is not known how the fire started and Shivalli Police, who have registered a case in this regard, are investigating.

MP Sumalatha Ambarish, who has condoled the death of Mahalingaiah, has assured of meeting Chief Minister Basavaraj Bommai soon for providing compensation to the family of the deceased, according to the MP's Personal Secretary.

Mysuru-Kushalnagar four-lane Highway

Clear land acquisition hurdles: MP directs officials

Mysuru, Feb. 13 (RK&BCT)- With Union Minister of Road Transport and Highways Nitin Gadkari announcing grants for the construction of a new access-controlled four-lane road from Mysuru to Kushalnagar, things are finally falling in place for the proposed Highway.

A meeting was chaired by Mysuru-Kodagu MP Pratap Simha at the Deputy Commissioner's Office this morning where he and DC Dr. K.V. Rajendra directed the Revenue Department Officers, Tahsildars, Revenue Inspectors, Land Acquisition Officers and Directors of Land Records to clear all hurdles for the ambitious project.

Gadkari has sanctioned funds for the four-lane road with a paved shoulder from Mysuru to the Kushalnagar section of National Highway (NH)-275 near Guddehosur at the start of Kushalnagar bypass in Mysuru district, for which a budget of Rs. 909.86 crore has been allocated.

He also announced the construction of access-controlled four lanes with paved shoulders from Mysuru to Kushalnagar section of NH-275 at Yelachenahalli near Yelwal-K.R. Nagar Road junction to Srirangapatna bypass in Mysuru district with a budget of Rs. 739.39 crore.

The MP directed the officers to clear the land hurdles in Mysuru, Hunsur, Periyapatna and Kushalnagar Taluks by March first week to perform a ground-breaking ceremony for the road construction that will be taken up by the National Highways Authority of India (NHAI). The 93-km Highway will run parallel to the existing NH-275 and will link Mysuru-Bengaluru Expressway.

A major requirement and a hurdle of the project is land acquisition and over 500 hectares of land have to be acquired and there are many Government and private lands that come in the way.

There are many acres that have been granted by the Government as 'saguvali' to marginalised communities and these have to be cleared and 'durast' status has to be accorded to such lands for compensation to be distributed.

Tahsildars, Deputy Directors and Assistant Directors of Land Records were asked to survey the land as per the path of the Highway and ensure the process of 'podi' and 'durast' are completed. The DC asked the officials to conduct a survey and clear the land hurdles.

There is a 34.5-acre of forest land and forest officials were asked by the DC to clear the confusion about whether it is forest land or revenue land and handover the same to the NHAI after appropriate clearance.

The NH will pass through 57 canals and 11 lakes and the water bodies come under the administration of the Irrigation Department and the officials have been directed to clear the process to build the Highway.

Additional DC Kavitha Rajaram, Assistant Commissioner K.R. Rakshith, Project Director of Mysuru-Bengaluru Highway B.T. Sridhar, Special Land Acquisition Officers, Deputy and Assistant Directors of Land Records, Tahsildars and Land Record Officers of Hunsur, Mysuru and Periyapatna, Forest and Horticulture Department Officers were present.

Bird census at Nagarahole Tiger Reserve

Birders record over 290 species including eight new

Mysuru, Feb. 13 (Raghu& SSM)- The four-day bird census conducted at Nagarahole Tiger Reserve to study the bird diversity in various habitats, recorded over 290 species and eight new bird species in the National Park covering terrestrial, aquatic and aerial niches.

Some of the rare species include Bar-headed Geese, Malabar Woodshrike, Redheaded Vultures and White-rumped Vultures, Ultramarine Flycatcher, Knob-billed Duck, Black Baza and Black Eagles. This is apart from the endemic species like Malabar Parakeet, Malabar Grey Hornbill, White-bellied Blue Flycatcher and Crimson-backed Sunbird were spotted earlier along with common bird species.

The survey, which began on Feb. 9, concluded yesterday (Feb. 12), where 118 volunteers and students from eight States including forest staff, watched birds at the 91 beats of the eight zones of the Tiger Reserve.

The survey was carried out in D.B. Kuppe, Metikuppe, Nagarahole, Kallahalla, Anechowkur, Hunsur, and Veeranahosahalli Wildlife Ranges.

Yesterday, the bird watchers, walked along different beats on 2 km of transect line, for every 400 metres, and the data pertaining to the sightings were entered in the e-bird App and manually. The survey was carried out over a distance of 900 kilometres on Feb. 9 and 10.

The aim of conducting the census is to prepare baseline data with a scientific enumeration of birds that flock to the Sanctuary during different seasons. Besides, it enables to know the habitat, food and climate the birds depend on.

The data also helps conserve various kinds of endemic species which might be on the verge of extinction.

It enables wildlife conservation planners to take measures to provide a suitable environment and shelter.

Notably, in the 2021 survey, over 270 bird species and six new bird species were spotted in Nagarahole Tiger Reserve.

It may be recalled that 274 bird species were recorded at the census conducted at Biligiri Ranganathaswamy Temple (BRT) Tiger Reserve held in January this year including two new migratory species — Northern Shoveler and Northern Pintail.

The valedictory of the Nagarahole bird survey was held yesterday at Veeranahosahalli.

Speaking on the occasion, Jungle Lodges and Resorts Limited Managing Director Manoj Kumar praised the bird watchers who actively took part in the four-day census.

Nagarahole Tiger Reserve Director Harshakumar Chikkanaragund, Hunsur Sub-Division ACFs and others were present.

Vote verification machines arriving in city tonight

(Continued from page 1)

The team comprises 12 election officers drawn from various departments and a nine-member armed team of Policemen. Each truck contains 500 VVPAT systems and according to sources all these machines have been freshly manufactured and tested by ECIL technicians. The ECIL has developed the software for the product.

Once the VVPAT systems arrive in Mysuru, they will be stored at the Election Commission of India's newly-constructed EVM Warehouse near the new Deputy Commissioner's Office at Siddarthanagar.

The high-security EVM Warehouse is a dedicated facility and has been built keeping in mind the measures to be taken to protect EVMs, Control and Ballot Units and VVPATs.

Voting Machines and VVPAT systems will be stored as per the Assembly Constituencies that come under the Mysuru District Administration and there are dedicated rooms for that. Each machine will be opened, functioning tested and will be preserved till the election process is complete. Sources said that representatives of political parties and MLAs will be invited for physical checks to have their doubts cleared.

Tiger kills two of family in Kodagu

(Continued from page 1)

While the villagers are accusing the Forest Department of doing little to prevent attacks except for paying a paltry sum as compensation when a cow or a buffalo is killed, coffee estate owners say that they are not getting labourers to pick coffee in this peak season.

The coffee growers are already facing a labour shortage during the coffee picking season which has been worsened by the tiger menace. Labourers are refusing to work at estates in these areas.

Virajpet MLA K.G. Bopaiah is expected to call on Chief Minister Basavaraj Bommai in Bengaluru today urging him to direct the Forest Department to issue a shoot-at-sight order to kill the menacing big cat.

It may be recalled here that in February 2021, two persons including a teenager were killed in Ponnampet Taluk and over 100 Forest Department personnel combed the forests for over a month tracking the elusive feline. It was later found dead inside a ravine.

Nagarahole ACF Gopal and the staff of the tiger operation team visited the spot today and the forest officials are making all preparations to capture the tiger. Superintendent of Police Ramarajan also visited the spot.

WORD OF THE DAY

Savant

Pronunciation: sa-VAHNT.
Meaning: Savant is a formal word that refers to a learned person, especially someone with detailed knowledge about a particular subject. The word is also used to refer to a person affected with a developmental disorder who exhibits exceptional skill or brilliance in a particular subject or field.
Origin: Word-loving Homo sapiens will appreciate how much there is to know about savant. For one, savant comes ultimately from the Latin word sapere ("to be wise") by way of Middle French, where savant is the present participle of savoir, meaning "to know." Second, savant shares roots with the English words sapient ("possessing great wisdom") and sage ("very wise") (as well as Homo sapiens). Finally, the term is sometimes used to refer to a person who demonstrates extraordinary knowledge in a particular subject or has an extraordinary ability to perform a particular task (such as complex mathematics) but has more limited capacities in other areas.
Example: "Ever since he was a child growing up in Melbourne, Florida, [Rivian Automotive CEO, Robert Joseph] Scaringe wanted to start his own car company. He had developed a reputation as an automotive savant and tinkered on cars in his spare time, even keeping parts in his bedroom." — Peter Valdes-Dapena

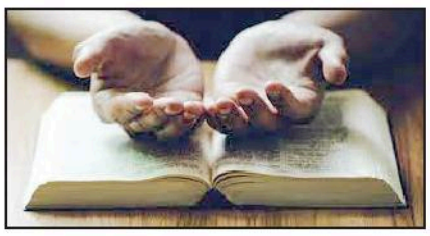
THE ODD WORD

Saltativeness

Ability to jump.

PHRASE OF THE DAY

Seek and you shall find



Meaning: The proverbial saying 'Seek and you shall find' means, in the Biblical sense, 'Come to God and your prayers will be answered.' In a wider literal sense it just means 'effort will be rewarded.'
Origin: 'Seek and you shall find' or, as it is usually written in old texts, 'seek and ye shall find' is from the Bible, Matthew 7:7-8. The King James Version of the text is: Ask, and it shall be given you; seek, and ye shall find; knock, and it shall be opened unto you: For every one that asketh receiveth; and he that seeketh findeth; and to him that knocketh it shall be opened.

Sudoku is a number-placing puzzle based on a 9x9 grid with several given numbers. The object is to place the numbers 1 to 9 in the empty squares so that each row, each column and each 3x3 box contains the same number only once. The difficulty level of the Concept is Sudoku increases from Monday to Sunday.

CRYPTOQUIP

The Cryptoquip is a substitution cipher in which one letter stands for another. If you think that X equals O, it will equal O throughout the puzzle. Single letters, short words and words using an apostrophe give you clues to locating vowels. Solution is by trial and error.

Conferred with Karnataka Women Achievers Award - Excellence in Sports Category

Mysuru, Feb. 13- Pooja Harsha, Chairman of WAKO India Women Committee, General Secretary of Karnataka Kickboxing Sports Association and Member of WAKO World, received the prestigious Karnataka Women Achievers Awards - Excellence in Sports category recently at Vivanta by Taj - Yeshwantpur.

This mega event was organised by Founder of KWAA - Spoorti Vishwas and attended by chief guest Ashwini Puneeth Rajkumar, film producer.

Karnataka Women Achievers Award (KWAA) received over 4,300 plus nominations. The highly distinguished jury critically examined each nomination

Pooja Harsha

and judiciously filtered 1 top entry from each category.

Pooja started practicing martial arts in the year 1997 and has experience of over 25 years. She has trained over 10,000 Kickboxers, holds 4th degree black belt in Karate and 2nd degree black belt in Kickboxing.

She is the first woman in India to lead the State by becoming a State Head in the 20-year history of WAKO India. She has introduced Kickboxing sport in 18 districts of Karnataka and has brought overall trophy for the State 3 times consistently in a row and has created history by making Karnataka team one of the biggest teams of South India.

Karnataka now stands in top 3 position amongst 28 States/UTs.

Pooja Harsha is the first woman in India to introduce WAKO Kickboxing in elementary and primary schools in the year 2016. She is the first woman from Asia to get elected as a Member of WAKO World Women in Sport Committee in 2019; First woman from South India to become International Referee (Ring Sport) and National Coach. She is the CEO of ASD Fight Club where hundreds of Kickboxers get trained.

"My motto is to introduce Kickboxing in all the districts of Karnataka and to bring in more number of girls into the ring," she added.

Daughter of Janaki Das (Senior Staff Nurse, Government Hospital, Jayalakshmipuram) and Hari Das (Businessman), residents of Jayalakshmipuram in Mysuru, Pooja is married to Harsha Shankar, Founder of Academy of Self Defense (ASD), Mysuru and an International Referee, who is also an Asian Bronze medallist in Kickboxing.
